ORGAN DONOR ENROLLMENT DAY

Organized by LiveOnNY, thousands hit the streets for one day with one goal - signing up New Yorkers as lifesaving organ donors. Joined by businesses, hospitals, legislators, colleges, volunteers and more, this turnkey event provides an easy way to make a positive impact in the community. Over the past three years, in just three days, the event has garnered nearly 11,000 lifesaving enrollments and over one million media impressions. The event not only generates enrollments, but also high-impact buzz for the cause.
